CHROME GUIDEDSMILE

FAQS
ALL YOU NEED TO KNOW

WHAT IS CHROME?

Chrome GuidedSMILE is a pre-planned, predictable guided solution for teeth-in-a-day implant surgery. The Chrome procedure restores your natural smile and oral function in a single day by placing a complete row (upper and/or lower) of permanent, natural looking and feeling teeth.

WHY CHROME?

- Teeth in One Day
- Same day fixed, stable & functioning natural looking teeth
- Precise, predictable & long lasting
- Faster recovery & less surgery time
- Less invasive procedure
- A confident smile & freedom to live your life

WHO IS IT FOR?

- If you are about to lose your teeth
- If you are tired of dentures
- If you want a completely new smile design
- If you are not a candidate for traditional implants
- If you need high quality fitted provisional teeth

HOW LONG DOES IT TAKE?

- Same day, in some cases as little as a 3-hour appointment.

HOW MUCH IS IT?

- Single Arch £20,995
- Double Arch £41,990
